HOW WILL WE KNOW IF YOU REFERRED A CLIENT TO US?

All you have to do is ask to go on our mailing list (www.pauainterface.com/contact.html) so you don't miss the latest news and then you can forward the details to your friends who you think will be interested, or simply send your friend our website address www.pauainterface.com. Ask them to mention that you sent them.

SPAM: Please don't send our newsletter emails to bulk emails from your address book as this is unsolicited spam and against the law. Only send it to people who you think will be genuinely interested and add your own personal message to the email so they know it came from you.
